SEA 2023 Creates Synergy for a Better Future

As SEA 2023 comes to a close on its third and final day, we reflect on the myriad innovations, insightful conversations, and collaborative spirit that defined this exceptional exhibition. The event served as a dynamic platform, bringing together visionaries, industry leaders, and enthusiasts from diverse sectors. From cutting-edge technologies to forward-thinking solutions, SEA 2023 showcased the forefront of progress and set the stage for future advancements.

The forum organised by The Electrical and Electronics Association of Malaysia (TEEAM) focusing on the topic "**Sustainability for Our Future**" by *Dr. Tee Wu Shun, Head of Group Strategy Development, Samaiden Group* and "**Greening the Glow: A Vision for Tomorrow's Lighting**" by *Ms. Ng Suan Lin, Founder of Swang Space Sdn Bhd*. This session was moderated by *Mr. Rajasegaran Naidu, TEEAM Business & Events Chairman & Council Member*.

Their expertise not only illuminated the present challenges but also sparked discussions that pave the way for innovative solutions. The exchange of ideas and knowledge during this forum has undoubtedly left a mark on our collective commitment to a sustainable future.

See you in the next edition of SEA!

LAST DAY OF SEA 2023

SEA WILL RETURN ON 12 - 14 NOVEMBER 2024
