## SEA 2023 Opening in 2 Days!

Malaysia's newest international trade show devoted to environmental conservation, Sustainability Environment Asia (SEA) is opening in 2 days on the 22 - 24 November 2023 at Kuala Lumpur Convention Centre. SEA 2023 will focus on important issues concerning environmental preservation and its profound impact on climate change. This trade exhibition establishes itself as the leading regional epicenter for uncovering groundbreaking and visionary approaches to uplift the health and vitality of our planet for a better future.

One of the event highlight is Women in Sustainability Forum, where this is a platform for in-depth discussions on various topics within the realm of sustainability. Join us as we amplify the voices and perspectives of women shaping the future of sustainability.
