

SEA 2023 Opens with a Bang!

The inauguration of SEA 2023 was marked by a momentous opening ceremony, with the supporting partners from ESGAM, MAREA, MWA, SWA, TEEAM and TEMA. Officiated by the honourable **YB Senator Tengku Datuk Seri Utama Zafrul Tengku Abdul Aziz**, Minister of Investment, Trade, and Industry (MITI), the event commenced on a note of collective dedication to sustainability.

As the inaugural day of Sustainability Environment Asia (SEA) 2023 opens its doors, we find ourselves immersed in a tapestry of innovation, collaboration, and commitment towards a greener and more sustainable future. The Singapore Business Forum and B2B meetings organised by the Singapore Water Association (SWA), had created a networking platform in providing attendees with valuable knowledge and wisdom to drive sustainability in their respective fields.

This remarkable event has served as a nexus for thought leaders, industry pioneers, and environmental enthusiasts in converging to address the pressing challenges that our planet is facing. Visit SEA 2023 from 10:00 am to 6:00 pm at Kuala Lumpur Convention Centre. Admission is free, register now!
