SEA 2023 Rewind: A Sustainable Journey Unveiled

Sustainability Environment Asia (SEA) marked its inaugural edition from 22 – 24 November 2023 at Kuala Lumpur Convention Centre, co-located with E-Mobility Asia (EMA). SEA served as an enlightening platform, facilitating connections between buyers and sellers from Southeast Asia, particularly in Malaysia, creating numerous business opportunities.

The opening ceremony was graced by the presence of **YB Senator Tengku Datuk Seri Utama Zafrul Tengku Abdul Aziz**, Minister of Investment, Trade, and Industry (MITI). The two events showcased the participation of 62 exhibiting companies and drew over 6,000 trade visitors and delegates from 34 countries. This diverse assembly successfully united stakeholders in the sustainability industry across Southeast Asia. Industries represented were primarily waste management, water, wastewater and green technology.

Visitors immersed landscapes in cutting-edge technologies, gaining insights into the latest trends in sustainability landscape. The event provided a unique opportunity to engage in the Singapore Business Forum and B2B Business Matching, organised by SWA in collaboration with MWA.

Visitors also had the privilege of participating in the Women in Sustainability Forum, TEEAM Seminar and MAREA Forum. The enlightening seminars organised by SEA supporting partners delved into cutting-edge advancements in sustainable and environmental practices, delivering a comprehensive overview of the latest news in this industry. These sessions not only provided attendees with valuable insights but also offered an insightful perspective on contemporary affairs within the realm of sustainability.

Stay tuned for the latest updates and news on SEA, preparing for its highly awaited 2nd edition from 12 - 14 November 2024 at the Kuala Lumpur Convention Centre! Save the dates on your calendar and we look forward to welcoming you to another inspiring chapter of Sustainability Environment Asia (SEA).
