SEA 2024 Returns: Opening Doors to a Greener Future!

Sustainability Environment Asia (SEA) 12 November 2024 - Day 1 Show Highlights

Sustainability Environment Asia (SEA) 2024 opened at the Kuala Lumpur Convention Centre, gathering industry leaders, innovators, and sustainability advocates. The event kicked off with showcases and forums, all focused on advancing solutions in sustainability.

Under the theme "**Driving Innovations for a Sustainable Circular Economy**," SEA 2024 explored new ideas and technologies shaping the future of sustainable practices. The event served as a platform for knowledge-sharing and collaboration among industry delegations and visitors.

Key sessions included the Japan Business Forum and Singapore Business Forum, where attendees discussed the latest in sustainable water management solutions through free, interactive sessions.

Day 1 Highlights

Innovative Showcases by Our Exhibitors

Following last year's success, exhibitors are back to strengthen connections and explore new opportunities. The Singapore Water Association (SWA) features eight companies in its pavilion, and the Taiwan Environmental Manufacturers Association (TEMA) showcases six exhibitors.

This edition's lineup includes Allied Environmental Consultants Malaysia, Green Environmental Engineering, HSL Constructor Pte Ltd, New Energy Centre Malaysia Sdn Bhd, Passal Co. Ltd, SGS (Malaysia) Sdn Bhd, Zero Waste Singapore, Zingametal (S) Pte Ltd, and more.

Japan Business Forum

The delegation from Japan's Ministry of Land, Infrastructure, Transport and Tourism (MLIT) organised a forum to foster business collaborations between the Japanese water supply sector and other countries, including Malaysia, featuring around ten Japanese companies.

Singapore Business Forum

The Singapore Water Association (SWA) organised a business forum that brought together visionary leaders to explore and promote sustainable business practices, providing a valuable opportunity for participants to connect with strategic partners and investors.
