SEA 2024's Opening Ceremony: Prominent Leaders and Expert Discussions

The Opening Ceremony of **Sustainability Environment Asia (SEA)** was officially inaugurated on **13 November 2024** by **YAB Dato' Sri Haji Fadillah Bin Haji Yusof, Deputy Prime Minister of Malaysia and Minister of Energy Transition and Water Transformation (PETRA)**. The event drew an impressive crowd eager to hear the latest sustainability initiatives shared by the Deputy Prime Minister.

Following the ceremony, the day continued with the SEA Conference 2024, organised by The Malaysian Water Association (MWA). The second day of SEA focused on engaging conferences, seminars, and forums that provided valuable insights and discussions on sustainability practices and innovations.

SEA Show Highlights - Day 2

Day 2 Highlights

Innovative Showcases by our Exhibitors

SEA Conference 2024

The SEA Conference 2024 provided a vibrant platform for dynamic discussions, bringing together moderators, speakers, and delegates to exchange ideas. Delegates gained comprehensive knowledge and perspectives from a diverse lineup of local and global experts, fostering a deeper understanding of water management solutions.

Topics covered included the Regional Water Forum: Transforming Water Towards a Sustainable Future, Innovative Circular Economy Approaches for Climate Resilience, Investing in the Low Carbon Transition and Pathway for Growth and Sustainability, and ESG and Sustainable Development Strategy.

Thank you to all attendees for participating. We hope you found the conference informative and inspiring. We look forward to your continued engagement in shaping a sustainable future.

Women in Sustainability 2.0 Forum

The Women in Sustainability 2.0 Forum successfully returned for its second year, showcasing four distinguished female leaders who highlighted the pivotal role of women in driving sustainable practices across Asia. This year's forum emphasised critical areas such as water resource management, green building initiatives, and sustainable investments. Visitors experienced an inspiring platform for knowledge exchange, the exploration of innovative strategies, and dynamic discussions that aimed to create a lasting impact.

Technical Seminars

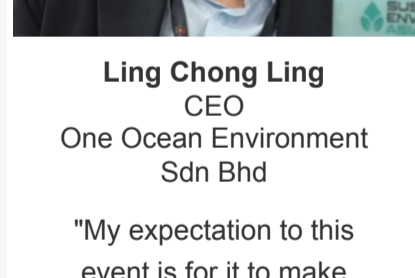

The technical seminars hosted by our exhibitors highlighted significant advancements in sustainability, covering a diverse range of topics, including:

- **Solving Malaysia's Tong Sampah Problem** by KLEAN The World
- **Green Certifications for Net Zero Industrial Park** by Allied Environmental Consultants (AEC)
- **From Waste to Worth: Revolutionising Resource Utilisation with Mycelium-Based Materials** by Bina BioX
- **Regenerative Agriculture: The Path to Sustainable Carbon Farming** by New Energy Centre
- **Future-Proof with Green Tech: Essential Digital Capabilities for a Sustainable World** by Asuene APAC Pte Ltd

Hear What They Say

Conference Sponsor **Speaker** **Exhibitor**

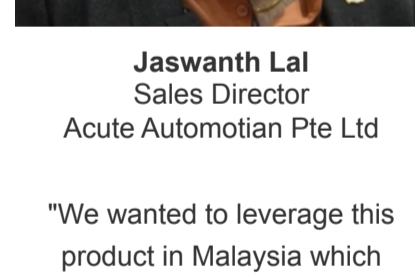

Ling Chong Ling
 CEO
 One Ocean Environment Sdn Bhd

"My expectation to this event is for it to make awareness more in sustainability and towards the environment so we hope that it create more awareness among the businesses."

Charles Santiago
 Chairman
 Suruhanjaya Perkhidmatan Air Negara (SPAN)

"SEA Conference 2024 is an important meeting to bring together variety of ideas, institutions, and also to see how we can work together."

Jaswanth Lal
 Sales Director
 Acute Automotian Pte Ltd

"We wanted to leverage this product in Malaysia which runs towards the sustainability. This exhibition is a great opportunity for us, as we see a lot of potential clients for seeing this product."
