

## Exhibit at SEA 2025: Be Part of Asia's Sustainable Future

**Sustainability Environment Asia (SEA) 2025** is your gateway to the region's most impactful sustainability event—bringing together innovators, businesses, and policymakers. SEA offers a dynamic space to showcase sustainable solutions, connect with industry leaders, and engage in forward-thinking discussions that shape the future of sustainability in Asia.

**SEA 2025** provides a platform to explore cutting-edge sustainable solutions through **Key Sustainable Profiles** such as:

- Energy Solutions
- Water and Wastewater Management
- Waste Management and Circular Economy
- Agriculture and Food Innovators
- Building and Construction
- Environmental and Technology

**SUSTAINABILITY ENVIRONMENT ASIA**  
Co-located with: **MOBILITY ASIA**

**13 NOVEMBER 2025**  
KUALA LUMPUR CONVENTION CENTRE

*Guest of Honour*  
**YAB Dato' Sri Haji Fadillah Bin Haji Yusof**  
Deputy Prime Minister  
Minister of Energy Transition and Water Transformation (PETRA)

**Explore the Event**

- 5,000 sqm Exhibition Floor
- 100 Exhibiting Companies
- 12,000+ Trade Visitors and Delegates
- Over 30 interactive sessions, featuring conference, forums, and technical seminars, will be led by industry experts and visionary speakers.

### Why Exhibit?

- ✔ Showcase Sustainable Innovations
- ✔ Elevate Your Green Brand Visibility
- ✔ Foster Sustainable Business Growth
- ✔ Tap Into Emerging Sustainability Markets
- ✔ Build Connections for a Greener Future

By participating as an exhibitor, you'll gain access to exclusive networking opportunities, technical seminars, forums, and site visits. **SEA 2025** is your opportunity to elevate your brand, build strategic partnerships, and align your solutions with Asia's accelerating sustainability agenda. Be part of the region's most impactful environmental event and showcase your commitment to a greener future.

**Secure Your Spot Now!**

Join SEA 2025 to showcase your brand, connect with industry leaders, and shape a sustainable future.
