PAST YEAR EXHIBITOR TESTIMONIALS

Mr. Alfred Ong
General Manager
Cubitech System Sdn Bhd

"Through SEA, we are able to expand our presence in the semiconductor industry through a more sustainable way. SEA is a great event, the participants that have attended and visited the exhibition have the same sustainability mindset and this aligns with our company goals."

Mr. Neil Sekhon
Business Development Manager
Meister Asia Pacific Sdn Bhd

"What brought us to SEA is to meet and network with other exhibitors and also to understand what products they are offering to the market. We hope at SEA 2026, we will be able to see more participants and a bigger networking area. See you next year at SEA 2026!"
