HEAR WHAT THEY SAY

YAB DATUK AMAR HAJI FADILLAH BIN HAJI YUSOF

Deputy Prime Minister and Minister of Energy
Transition and Water Transformation (PETRA)

"As ASEAN accelerates its shift toward sustainable development, SEA serves as a strategic platform for businesses, investors and industry leaders to engage in high-value discussions and explore market-driven sustainability solutions."

MR. MOHAMAD HAIRI BIN BASRI

President
The Malaysian Water Association (MWA)

"SEA serves as a vital platform for the exchange of knowledge, the cultivation of partnerships and the promotion of initiatives aimed at fostering a sustainable water future for all. Let us persist in our collaborative efforts to translate these discussions into tangible actions and to construct a water-secure Malaysia for generations yet to come."

ATTY. VICENTE M. JOYAS

President
Philippine Water Works Association (PWAA)

"SEA 2026 provides a premier platform to drive innovation, uplift communities and advance a sustainable and resilient water future for generations to come. This is essential for fostering the industry connections needed to navigate the challenges of climate change and responsible consumption. Through our shared vision, we aim to contribute to a greener, more resilient future ensuring a legacy for the generations to follow."

SEA 2026 is your opportunity to elevate your brand, build strategic partnerships and align your solutions with Asia's accelerating sustainability agenda. Be part of the region's most impactful environmental event and showcase your commitment to a greener future.

Secure your spot today to position your company at the forefront of Southeast Asia's sustainable growth.
